### SECTION III – PAYMENT

Carolina Pyros is a new club, and because we are new, there are many expenses we have to cover to get the club off the ground. The only way we can cover all of these expenses is to ask our members to contribute a little more to help us. Some clubs charge two to three times what CP charges for membership, and they already have the infrastructure they need to operate. We greatly appreciate your money and in-kind contributions.

Email or mail this completed membership application form along with a signed copy of the CP Waiver of Liability, Assumption of Risk, Indemnification and Hold Harmless agreement (on pages 3 and 4) and a recommended payment of \$75.00 or more to:

Note that there is a \$20 shoot fee per family for most events. This fee is used to help the club defray costs for insurance, permits, portable toilets, and other miscellaneous event necessities.
